ICAM DUXTON PORT INFRASTRUCTURE RETAIL FUND
RESPONSIBLE ENTITY REPORT
FOR THE PERIOD ENDED 30 JUNE 2020

The Directors of the Responsible Entity, Vasco Trustees Limited, present their report on the ICAM Duxton Port Infrastructure Retail Fund ('the Fund') for the year ended 30 June 2020. In order to comply with the provisions of the *Corporations Act 2001* the Directors report is as follows:

1. Directors

The names of Directors of the Responsible Entity in office at any time during the financial year were:

Craig Mathew Dunstan

Fiona Jean Dunstan

Stephen George Hawkins (retired 2 July 2019)

Jonathan William Martin

Reginald Bancroft (appointed 2 July 2019)

2. Principal Activities

The Fund was registered with ASIC on 6 September 2019 and issued its first units to investors on 20 December 2019. The Fund provides an opportunity to invest in the ICAM Duxton Port Infrastructure Trust (Underlying Trust) that primarily provides exposure to the development and operation of a port infrastructure asset in Lucky Bay, South Australia.

An important part of the investment strategy of this Fund and the Underlying Trust will be the issue of units in the Underlying Trust to growers in the Lucky Bay Port grain catchment area. The growers that are retail clients cannot be issued units directly in the Underlying Trust. The Underlying Trust will issue units to the Fund and an increased benefit received by the Fund will be passed on to retail growers by issuing units to the growers in the Fund.

To incentivize growers to use the Lucky Bay Port, the Underlying Trust has agreed to issue equity (\$3 in equity for every one ton of grain throughput) in the Underlying Trust to those growers who have expressed a commitment to use the port facilities for the next seven years.

3. Operating Results

The Fund made neither a profit or a loss during the financial period ending 30 June 2020.

4. Review of Operations

The Fund currently offers two classes of units: Ordinary and Throughput. The close date for the Ordinary unit initial capital raising was 31 March 2020. Throughput units are intended to be issued to eligible retail growers and is expected to start by mid of fiscal year 2021. Since inception the Fund has issued 1,460,000 units in the ordinary unit class.

Position of units on Issue as at 30 June 2020:

Unit Class	No. of Investors	Units Allocated	Unit Price	Value of Units
Ordinary	41	1,460,000	\$1.06	\$1,547,600
Throughput	-	-	-	-

On 23 December 2019, the Fund invested \$1,400,000 in ICAM Duxton Port Infrastructure Trust and acquired 1,076,924 units at a unit price of \$1.30. The target average cash distribution of the Investment is 6.5% to 11.5% after tax (plus franking credits) over the term of the investment.

ICAM DUXTON PORT INFRASTRUCTURE RETAIL FUND
RESPONSIBLE ENTITY REPORT
FOR THE PERIOD ENDED 30 JUNE 2020

In the opinion of the Directors, the COVID-19 outbreak has not had a material impact on the Fund as at the date of this report.

5. Review of Performance

It is anticipated that unitholders will receive the return detailed in the Product Disclosure Statement or otherwise agreed between the unitholders and the Investment Manager.

Investment Option	2020 % p.a.
Ordinary	6.00
Throughput	-

The above performance has been annualised.

6. Unit Redemption Prices

The availability and timing of redemptions is subject to the terms of the Fund's Constitution.

These prices are based on NAV and total number of units on issue as at the calculated period.

	2020 \$
At 30 June	1.06
High during year	1.06
Low during year	1.00

7. Distributions Paid or Recommended

The Fund aims to pay distributions in line with the Underlying Trust's distribution frequency. The Fund is targeting an average distribution over the two years to December 2021 of 6.5% (per annum after tax (plus franking credits), with distributions anticipated to commence in 2020, subject to actual grain volume throughput and senior lender approval.

No distributions have been paid or recommended.

8. Applications Held

As at 30 June 2020, there is no pending applications to the Fund.

9. Redemption Arrangements

As detailed in the Fund's Constitution the Responsible Entity is not under any obligation to buy back, purchase or redeem units from unitholders.

There are no withdrawal rights from the Fund. An investment in the Fund is illiquid and should be viewed as a long-term investment. Unitholders in the Underlying Trust have no right to withdraw from the Underlying Trust other than as determined by the trustee of the Underlying Trust in its absolute discretion.

Consequently, no units were redeemed by the Responsible Entity during the reporting period.

ICAM DUXTON PORT INFRASTRUCTURE RETAIL FUND
RESPONSIBLE ENTITY REPORT
FOR THE PERIOD ENDED 30 JUNE 2020

10. Options

No options over issued units or interests in the Fund were granted during or since the end of the financial year and there were no options outstanding at the date of this report. The Directors and executives of the Responsible Entity hold no options over interests in the Fund.

11. Proceedings on Behalf of the Fund

No person has applied for leave of court to bring proceedings on behalf of the Fund or intervene in any proceedings to which the Fund is a party for the purpose of taking responsibility on behalf of the Fund for all or any part of their proceedings. The Fund was not a party to any such proceedings during the period.

12. Value of Fund Assets

The Gross Asset Value of the Fund's assets at the end of the reporting period was \$1,572,542. The Net Asset Value at the end of the reporting period was \$1,546,155.

13. Significant Changes in State of Affairs

Apart from those matters referred to in the previous sections of this Report, there have been no other significant changes to the state of affairs of the Fund during the financial year.

14. After Reporting Date Events

No other matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the Fund, the results of those operations, or the state of affairs of the Fund in future financial years other than as disclosed in this report.

15. Future Developments

There are no future developments to report on which are not otherwise disclosed in this report.

16. Indemnifying Officers or Auditor

During or since the end of the financial year, the Responsible Entity has paid insurance premiums to insure each of the aforementioned Directors as well as officers of the Responsible Entity against liabilities for costs and expenses incurred by them in defending any legal proceedings arising out of their conduct while acting in the capacity of the Responsible Entity, other than conduct involving a willful breach of duty in relation to the Responsible Entity.

The contract of insurance prohibits disclosure of the nature of the liability and the amount of the premium.

The Responsible Entity has not otherwise, during or since the end of the financial year indemnified or agreed to indemnify an officer or auditor of the Responsible Entity or of any related body corporate against a liability incurred as such an officer or auditor.

17. Fees, Commissions or Other Charges by the Responsible Entity, Investment Manager or Related Parties

As at 30 June 2020, fees of \$61,500, \$12,775 and \$11,667 were accrued and paid to the Responsible Entity, Administration Manager and Custodian respectively of the Fund.

The Investment Manager has agreed to fund the Fund's direct fees and costs up to 31 December

**ICAM DUXTON PORT INFRASTRUCTURE RETAIL FUND
RESPONSIBLE ENTITY REPORT
FOR THE PERIOD ENDED 30 JUNE 2020**

2021. At any time after 31 December 2021 if the Fund has raised \$5 million or more (directly, that is, excluding Throughput Units) from the issue of Units, the Investment Manager will from that time onwards only reimburse the Responsible Entity for 50% of the Fund's direct fees and costs. The Investment Manager will transfer enough money to the Fund quarterly in advance in order for the Fund to meet its ongoing fees and costs under this arrangement.

18. Units held by the Responsible Entity, Investment Manager or Related Parties

At 30 June 2020, the Responsible Entity and its related parties held no units in the Fund.

19. Interests in the Fund

The movement of units on issue in the Fund during the year is set out in Note 12 to the financial statements.

The value of the Fund's assets and liabilities is disclosed on the balance sheet and derived using the basis set out in Note 1 to the financial statements.

20. Environmental Issues

The operations of the Fund are not subject to any particular or significant environmental regulations under a law of the Commonwealth or of a State or Territory in Australia.

21. Lead auditor's declaration under Section 307C of the Corporations Act 2001

The lead auditor's independence declaration is set out on the following page and forms part of the Responsible Entity's report for the year ended 30 June 2020.

Signed in accordance with a resolution of the Board of Directors of Vasco Trustees Limited by:

Craig Mathew Dunstan

Director

Date: 15 October 2020

Auditor's Independence Declaration to the Directors of the Responsible Entity

In accordance with section 307C of the *Corporations Act 2001* (the Act), in relation to our audit of the financial report of ICAM Duxton Port Infrastructure Retail Fund for the financial period ended 30 June 2020, to the best of my knowledge and belief, there have been no contraventions of the auditor independence requirements of the Act or any applicable code of professional conduct.

ICAM DUXTON PORT INFRASTRUCTURE RETAIL FUND
NOTES TO THE FINANCIAL STATEMENTS
FOR THE PERIOD ENDED 30 JUNE 2020

NOTE 1: SIGNIFICANT ACCOUNTING POLICIES

Reporting Entity

The financial report is for the ICAM Duxton Port Infrastructure Retail Fund ('the Fund'). The Fund is a closed-ended, unlisted, registered Australian managed investments scheme. The Responsible Entity of the Fund is Vasco Trustees Limited and ICAM Retail Funds Management Pty Ltd is appointed as the Investment Manager of the Fund.

Basis of Preparation

(a) Statement of compliance

The financial report is a general purpose financial report which has been prepared in accordance with Australian Accounting Standards (including the Australian Accounting interpretations) adopted by the Australian Accounting Standards Board ("AASB") and the *Corporations Act 2001*. The financial report of the Fund complies with International Financial Reporting Standards and interpretations adopted by the International Accounting Standards Board.

The Fund is a for-profit entity for the purpose of preparing the financial statements.

(b) Basis of measurement

The financial report is prepared on the historical cost basis except for the following material items in the statement of financial position:

Investments are measured at fair value.

(c) Functional and presentation currency

These financial statements are presented in Australian dollars, which is the Fund's functional currency.

(d) Critical judgements and significant accounting estimates

The preparation of financial statements requires the Directors of the Responsible Entity to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. The judgements, estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities (refer to the respective notes) within the next financial year are discussed below.

The Fund carries investments at fair value, with changes in fair value being recognised in the investment revaluation reserve. As stated in note 9, an annual valuation of the underlying trust is performed in December by an independent valuer, which is used as the basis for the Investment Manager's assessment at 30 June. The assumptions used in this assessment include consideration of the impact of the Coronavirus (COVID-19) pandemic and forward-looking information that is available.

ICAM DUXTON PORT INFRASTRUCTURE RETAIL FUND
NOTES TO THE FINANCIAL STATEMENTS
FOR THE PERIOD ENDED 30 JUNE 2020

NOTE 1: SIGNIFICANT ACCOUNTING POLICIES (continued)

(e) New, revised or amending Accounting Standards and Interpretations adopted

The Fund has adopted all of the new, revised or amending Accounting Standards and Interpretations issued by the AASB that are mandatory for the current reporting period. Any new, revised or amending Accounting Standards and Interpretations that are not yet mandatory have not been early adopted.

New and revised standards and amendments thereof and interpretations effective for the current year that are relevant to the Fund include:

- AASB 16 – Leases

Impact of the application of AASB 16 Leases

AASB 16 introduces a single lessee accounting model and requires a lessee to recognise assets and liabilities for all leases with a term of more than 12 months, unless the underlying asset is of low value. A lessee is required to recognise a right-of-use asset representing its right to use the underlying leased asset and a lease liability representing its obligation to make lease payments.

As the Fund does not deal with leases, the adoption of AASB 16 did not have any effects on the financial position or results of the fund.

Significant Accounting Policies

(a) Financial instruments

Financial assets and financial liabilities are recognised on the Fund's Statement of Financial Position when the Fund becomes a party to the contractual provisions of the instrument.

(i) Measurement

Under this approach, financial assets and financial liabilities are generally measured initially at amortised cost. As the financial assets meet the following criteria, they are also subsequently measured at amortised cost:

- the financial assets are held within a business model whose objective is to hold financial assets in order to collect contractual cash flows; and
- the contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal outstanding.

The amortised cost of a financial asset is the amount at which the financial asset is measured at initial recognition minus the principal repayments, plus the cumulative amortisation using the effective interest method of any difference between that initial amount and the maturity amount, adjusted for any loss allowance. The gross carrying amount of a financial asset is the amortised cost of a financial asset before adjusting for any loss allowance.

Fair value in an inactive or unquoted market

The fair values of financial assets and liabilities that are not traded in an active market are determined through the valuation policy identified in the Product Disclosure Statement for the Fund.

Impairment of financial assets

The Fund recognises a loss allowance for expected credit losses (ECL) on its financial assets and receivables.

The amount of ECL is updated at each reporting date to reflect changes in credit risk since initial recognition.

ICAM DUXTON PORT INFRASTRUCTURE RETAIL FUND
NOTES TO THE FINANCIAL STATEMENTS
FOR THE PERIOD ENDED 30 JUNE 2020

NOTE 1: SIGNIFICANT ACCOUNTING POLICIES (continued)

(ii) Categorisation

The Fund's financial instruments are categorised as follows:

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and demand deposits and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of changes in value.

Investments

Investments are held at fair value based on an annual independent valuation. Changes to fair value are recorded in the investment revaluation reserve.

Derecognition

Financial assets are derecognised where the contractual rights to receipt of cash flows expires or the asset is transferred to another party whereby the Fund no longer has any significant continuing involvement in the risks and benefits associated with the asset. Financial liabilities are derecognized where the related obligations are either discharged, cancelled or expired. The difference between the carrying value of the financial liability extinguished or transferred to another party and the fair value of the consideration paid, including the transfer of non-cash assets or liabilities assumed, is recognised in profit or loss.

Financial liabilities and equity

Financial liabilities and equity instruments issued by the Fund are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument. The accounting policies adopted for specific financial liabilities and equity instruments are set out below:

Issued units

The Fund issues units which have a limited life under the Fund's Constitution and are classified as equity in accordance with *AASB 132 Financial Instruments: Presentation* as amended by *AASB 2008-2 Amendments to Australian Accounting Standards – Puttable Financial Instruments and Obligations Arising on Liquidation*.

Should the terms or conditions of the units change such that they no longer comply with the criteria for classification as equity in the revised *AASB 132*, the units would be reclassified to a financial liability from the date the instrument ceases to meet the criteria. The financial liability would be measured at the instrument's fair value at the date of reclassification. Any difference between the carrying amount of the equity instrument and the fair value of the liability at the date of reclassification would be recognised in equity.

Where the Fund buys back any of its units from unitholders, the consideration paid, including any directly attributable incremental costs are recognised as a reduction in equity attributable to the Fund's unitholders.

(b) Goods and services tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of expense. Receivables and payables in the statement of financial position are shown inclusive of GST, and accruals are shown exclusive of GST.

ICAM DUXTON PORT INFRASTRUCTURE RETAIL FUND
NOTES TO THE FINANCIAL STATEMENTS
FOR THE PERIOD ENDED 30 JUNE 2020

NOTE 1: SIGNIFICANT ACCOUNTING POLICIES (continued)

(c) Income tax

Under current legislation, the Fund is not liable for income tax provided its taxable income is fully distributed to unitholders.

(d) Comparatives

As the Fund commenced operations in December 2019, there are no comparative numbers included within this financial report.

(e) Trade and Other Payables

Trade and other payables represent the liabilities for goods and services received by the Fund that remain unpaid at the end of the reporting period. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

(f) Revenue and Other Income

Interest revenue is recognised using the effective interest method, which, for floating rate financial assets is the rate inherent in the instrument.

(g) Foreign Exchange

Items included in the financial records are measured using the currency of the primary economic environment in which the entity operates (functional currency). The financial statements are presented in Australian dollars, which is the presentation currency of the Fund.

(h) Provisions

Provisions are recognised when the Fund has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD ENDED 30 JUNE 2020

NOTE 2: REVENUE

Bank interest

	2020
	\$
Bank interest	69
	<u>69</u>

Cash on deposit is held by the Custodian (Perpetual Corporate Trust Limited) with Commonwealth Bank of Australia (CBA). The current interest rate paid by CBA is 0.05% per annum.

NOTE 3: INVESTMENT MANAGER FEES AND PERFORMANCE FEES

No fees are paid by the Fund to the Investment Manager in accordance with the Product Disclosure Statement.

Any performance fees are payable by the underlying trust. This is tied to the performance of the underlying trust in the following manner, split over two hurdles:

- 7.5% of excess of IRR above an 8% p.a. hurdle rate for performance period.
- 12.5% of excess IRR above a 15% per annum hurdle rate for the performance period.

A performance fee is payable to the Investment Manager on a certain exit events such as the sale of key assets (being at least 10% or more of the assets), listing of the units on a securities exchange, a sale of at least a majority of the units, termination of underlying trust, windup of the underlying trust, or certain refinancing to enable a withdrawal of at least 10% of the existing equity.

NOTE 4: RESPONSIBLE ENTITY AND ADMINISTRATION FEES

	2020
	\$
Responsible entity fees	61,500
Administration fees	12,775
	<u>74,275</u>

Vasco Trustees Limited as a Responsible Entity is entitled to the one-off establishment fee of \$22,500 (plus GST).

The Responsible Entity has an annual minimum fee of \$60,000 (plus GST) or 0.3% p.a. (excluding GST) of the Fund's Gross Asset Value ("GAV") up to \$100 million and 0.2% p.a. (plus GST) of the Fund's GAV above \$100 million. This fee is calculated on a monthly basis from the date of registration of the Fund and is payable monthly in arrears from the commencement of the Fund. The Responsible Entity is also entitled to a retirement fee of \$9,500 (plus GST) should their engagement with the Fund be terminated or the Fund is transferred to another responsible entity.

Vasco Fund Services Pty Ltd as the Administration Manager is entitled to an annual fee of (plus GST):

- \$20,000 per annum where the GAV of the Fund is less than \$20 million and there are less than 25 unitholders;
- \$21,000 per annum where the GAV of the Fund is greater than \$20 million or where there are 25 or more unitholders; and
- Should additional unit classes be established an additional fee of \$5,000 per annum per unit class shall apply or \$10,000 for segregate unit classes.

The Administration Manager fee is subject to an annual increase of 5% on the 1st of January each year.

Costs incurred due for reimbursement from investment manager	103,223
Less: amounts received from investment manager	(36,784)
Reimbursements due from investment manager at 30 June 2020	<u>66,439</u>

According to section 7.2 of PDS, the Investment Manager has agreed to fund the Fund's direct fees and costs up to 31 December 2021. At any time after 31 December 2021 if the Fund has raised \$5 million or more (directly, that is, excluding Throughput Units) from the issue of Units, the Investment Manager will from that time onwards only reimburse the Responsible Entity for 50% of the Fund's direct fees and costs.

The Investment Manager will transfer enough money to the Fund quarterly in advance in order for the Fund to meet its ongoing fees and costs under this arrangement.

ICAM DUXTON PORT INFRASTRUCTURE RETAIL FUND

NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD ENDED 30 JUNE 2020

NOTE 9: INVESTMENTS

As at 30 June 2020, the Fund's investments were comprised of:

Investment	2020
	\$
Investment in ICAM Duxton Port Infrastructure Trust (Underlying Trust)	1,400,000
Revaluation during the period	86,155
	<u>1,486,155</u>

Revaluation of the underlying investment is based on an independent valuation of the Underlying Trust conducted. Based on this, a memorandum was issued by Inheritance Capital Assets Management Pty Ltd (Manager of the Underlying Trust and a related party of the Investment Manager) with a proposal to adopt a unit price of \$1.38 per unit which is reported to be at the lower end of the valuation range as at 31 December 2019. The Valuation was proposed to be adopted from 31 March 2020 following closure of the second formal equity raise.

The Responsible Entity has prepared its impairment assessment at 30 June 2020 and does not consider there to be any indicators of impairment since 31 December 2019.

NOTE 10: FEES PAYABLE

	2020
	\$
Responsible entity fees payable	5,000

Audit fees payable	8,000
	<u>29,005</u>

NOTE 11: OTHER EXPENSES PAYABLE

	2020
	\$
RITC receivable	(5,518)
Other accrued fees	2,900
	<u>(2,618)</u>

ICAM DUXTON PORT INFRASTRUCTURE RETAIL FUND

NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD ENDED 30 JUNE 2020

NOTE 12: NET ASSETS ATTRIBUTABLE TO UNITHOLDERS

Issued units in \$

	2020 Units	2020 \$
Issue of units during the period	1,460,000	1,460,000
Closing balance	1,460,000	1,460,000

As stipulated in the Fund's Constitution, each unit represents a right to an individual unit in the Fund and does not extend to a right to the underlying assets of the Fund.

Capital management

The Fund regards total unitholders' interests as capital. The objective of the Fund is to provide unitholders with income and capital growth. The Fund, via its investment in the Underlying Trust, aims to generate income and capital returns for investors through building and operating an efficient South Australian agricultural port asset portfolio that provides grain growers with an efficient port facility.

The Fund aims to invest to meet the Fund's investment objectives while maintaining sufficient liquidity to meet its commitments, including unitholder redemptions. The Investment Manager regularly reviews the performance of the Fund, including asset allocation strategies, investment and risk management.

NOTE 13: RELATED PARTY TRANSACTIONS

(a) Responsible Entity

The Responsible Entity of the ICAM Duxton Port Infrastructure Retail Fund is Vasco Trustees Limited.

Fees of \$61,500 (plus GST) were accrued and paid by the Fund to Vasco Trustees Limited for its role as Responsible Entity for the period, of which \$3,383 is claimable by the Fund as RITC.

(b) Investment Manager

The Investment Manager of the ICAM Duxton port Infrastructure Retail Fund is ICAM Retail Funds Management Pty Ltd.

No fees were accrued or paid by the Fund to ICAM Retail Funds Management Pty Ltd during the period.

(c) Administration Manager

The Administration Manager of the ICAM Duxton Port Infrastructure Retail Fund is Vasco Fund Services Pty Ltd.

Administration fees of \$12,775 (plus GST) were accrued and paid during the period by the Fund to Vasco Fund Services Pty Limited for its role as Administration Manager of the Fund, of which \$958 is claimable by the Fund as RITC.

Vasco Fund Services Pty Limited is a related party of the Responsible Entity.

ICAM DUXTON PORT INFRASTRUCTURE RETAIL FUND

NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD ENDED 30 JUNE 2020

NOTE 13: RELATED PARTY TRANSACTIONS (continued)

(d) Key management personnel

The Fund does not employ personnel in its own right. However, it has an incorporated Responsible Entity, Vasco Trustees Limited, to manage the activities of the Fund and an Investment Manager to manage investment of the Fund. The Directors of the Responsible Entity are key management personnel of that corporate entity. No compensation is paid directly by the Fund to Directors or to any of the key management personnel of the Responsible Entity or Investment Manager. Payments made by the Fund to the Responsible Entity or Investment Manager do not specifically include any amounts attributable to the compensation of key management personnel.

NOTE 14: REMUNERATION OF AUDITORS

The auditor of the Fund is PKF Melbourne Audit & Assurance Pty Ltd for the Fund in FY 2020. The following fees were payable to the Fund's auditor for the audit of the Fund's financial statements for the period ended 30 June 2020.

	2020
	\$
Audit services	8,000
	<hr/>
	8,000

NOTE 15: CONTINGENT LIABILITIES

There are no contingent liabilities at the end of the period.

NOTE 16: EVENTS SUBSEQUENT TO REPORTING DATE

As at the date of this report, there have been no other events subsequent to the reporting date that require additional disclosure.

NOTE 17: FINANCIAL RISK MANAGEMENT

(a) Liquidity Risk

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle its obligations in full as they fall due or can only do so on terms that are materially disadvantageous.

The Fund will hold investments in infrastructure assets, which are not considered to be assets that are readily realisable.

In order to address this risk, the Responsible Entity retains broad discretion to restrict distributions, withdrawals and/or redemptions.

ICAM DUXTON PORT INFRASTRUCTURE RETAIL FUND

NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD ENDED 30 JUNE 2020

NOTE 17: FINANCIAL RISK MANAGEMENT (continued)

(b) Credit Risk

Credit risk is the risk that a counterparty fails to discharge an obligation to the Fund. The Fund is exposed to this risk for various financial instruments. The Fund's maximum exposure to credit risk is limited to the carrying amount of financial assets recognised at the reporting date, as summarised below:

	2020
	\$
Cash and cash equivalents	19,948
Reimbursement receivable from investment manager	66,439
Investments	1,486,155
	<u>1,572,542</u>

The Investment Manager manages the exposure to credit risk on an ongoing basis. The Fund's management considers that all the above financial assets that are not impaired or past due for each of the reporting dates under review are of good credit quality.

(c) Market Risk

The Fund is exposed to market risk through its use of financial instruments and specifically to interest rate risk which results from both its operating and investing activities. Market risk is the risk that changes in market prices which will affect the Fund's income. Market risk embodies the potential for both loss and gains. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimizing the return on risk. Market risk is monitored by the Investment Manager.

(d) Interest Rate Risk

The Fund's interest rate risk is monitored by the Investment Manager.

Exposure to interest rate risk arises on financial assets and financial liabilities recognised at the end of the reporting period whereby a future change in interest rates will affect future cash flows or the fair value of fixed rate financial instruments.

At the reporting date the interest rate profile of the Fund's interest-bearing financial instruments was:

	2020
	\$
Cash and cash equivalents	19,948

An increase or decrease of 100 basis points in interest rates as at the reporting date would not have a material effect on the net assets attributable to unitholders and operating results.

ICAM DUXTON PORT INFRASTRUCTURE RETAIL FUND

DIRECTORS' DECLARATION

The Directors of Vasco Trustees Limited, the Responsible Entity, declare that:

1. The financial statements, comprising the statement of comprehensive income, statement of financial position, statement of cash flows, statement of changes in equity, and accompanying notes, are in accordance with the *Corporations Act 2001* and:
 - (a) comply with Accounting Standards as described in Note 1 to the financial statements and the *Corporations Regulations 2001*; and
 - (b) give a true and fair view of the Fund's financial position as at 30 June 2020 and of its performance for the period ended on that date in accordance with the accounting policies described in Note 1 to the financial statements.
2. In the Directors' opinion, there are reasonable grounds to believe that the Fund will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Board of Directors and is signed for and on behalf of the Directors of Vasco Trustees Limited by:

Craig Mathew Dunstan

Director

15 October 2020

Independent Auditor's Report to the Members of ICAM Duxton Port Infrastructure Retail Fund and the Directors of the Responsible Entity

Report on the Financial Report

Opinion

We have audited the accompanying financial report of ICAM Duxton Port Infrastructure Retail Fund (the Fund), which comprises the statement of financial position as at 30 June 2020, the statements of profit or loss and other comprehensive income, changes in equity, and cash flows for the period ended on that date, a summary of significant accounting policies, other explanatory notes and the Directors' Declaration.

In our opinion, the financial report of the Fund is in accordance with the *Corporations Act 2001*, including:

- (a) giving a true and fair view of the Fund's financial position as at 30 June 2020 and of its financial performance for the period then ended; and
- (b) complying with Australian Accounting Standards the *Corporations Regulations 2001*.

Basis for opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial report* section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

We are independent of the Fund in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

Responsibility of the Directors of the Responsible Entity for the financial report

The Directors of the Responsible Entity are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001*, and for such internal control as the Directors determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error. In Note 1, the Directors also state, in accordance with Accounting Standard AASB 101 *Presentation of Financial Statements*, that the financial statements comply with International Financial Reporting Standards.

In preparing the financial report, the Directors are responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Scheme or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Directors.
- Conclude on the appropriateness of the Director's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, actions taken to eliminate threats or safeguards applied.
